Burnover Pre-Treatment Form

This form is designed to be left at the residence so the owner will know what was done and by whom. The following are the directions for completing the form:

- Address/Description:** The street address or description of the property.
 Example: #3 Fircone Lane
 Example: Blue house NW corner 5th & Adams
- Date:** Today's Date **Time:** Time secured property
- Task Force/Strike Team:** Name of Unit **Engine:** Engine number
- Officers/Firefighters:** Names of all personnel on the property
- Utilities:** List those utilities turned off.
- Pets:** If pets were seen provide information where they were or went.
- Pre-Treatment Efforts:** Identify action(s) taken.
 Example: Removed shrubs, cleared wood pile, secured windows, foamed roof.
- Notes:** Anything that should be noted that was not addressed in previous categories.
 Example: Bedroom windows were open on arrival.
- Signature/Title/Agency:** Signature of whomever fills out this form, title of whomever fills out this form, agency that whomever fills out this form is associated with.
 Example: J. Smith/Captain/Anywhere F.D.

Compare number of YES checks to bottom table to determine if home is defensible.

0 - 2 Yes	Probably will stand alone
3 - 5 Yes	Defendable
6 - 7 Yes	Defend with caution
8 - 10 Yes	Not defensible

If the wind is blowing over 30 mph, homes may have to be deemed undefendable sooner.
